EXPERTISE

Licensed Holistic Esthetician

INTRODUCTION

Alexandra has been a Licensed Esthetician since 2015 and shared her love of self-care across multiple award-winning medical centers and spas. Her gentle approach to skin therapy is rooted in the call to be of service, her deep respect for the planet, and belief that our bodies have the capacity to heal themselves. Understanding that as humans we do best when we stick as close to nature as possible, she offers skin therapies utilizing high quality products that are Non-Toxic, Plant-Based, Cruelty-Free, Gluten-Free, GMO-Free, Vegan, Anti-Inflammatory and free of known toxins from lines that align with a philosophy of *Do No Harm*. Alexandra has also obtained additional certifications in infection control and prevention including a COVID-19 specific training to keep you as safe as possible. With each treatment session, she invites you to sink into the moment and enjoy a meditative experience as she performs expertly targeted skin treatments that provide results and leave you feeling refreshed. Alexandra is also a Certified Usui Holy Fire Reiki Practitioner. In her spare time, Alexandra can be found practicing meditation, yin and vinyasa yoga, being out in nature with her dog and studying Clinical Herbalism.
